Testimonials

With A Return On Investment (Roi) Period Of Approximately 3 Months, The Samtest Solution Has Proved To Reduce Customer Time And Efforts In Managing Ethernet Circuits By Almost 80%.

Olga Shapiro | Senior Research Analyst | Frost & Sullivan

Samtest's Built-In Automation Reduces The Time It Takes To Provision And Turn-Up Our Services, Greatly Improves Integra's Customers' Experience. The Inclusion Of This Application In Our Process Further Advances Our Leading Position In Carrier Ethernet Services.

Michael Sharpe | COO | Integra

"I'd Like To Take This Opportunity To Let You Know How Impressed I've Been With The Support I've Gotten. Product Support Is Very Important To Us."

— Test Manager, Industrial Networking, Usa
